THE PEOPLES' COLUMN

Early this morning the sound of guns could be heard on the crisp air, just ahead of the north wind that is now here. Now the people who hunt, know, or ought to know, that the season for game does not open until November 1. There ought to be a state law providing that the hunter who is found killing game out of season, be barred from hunting for the balance of the year. That might effectually put a stop to such illegal practice and at the same time will protect the game for the true sportsman from the man who is unfair to his fellow hunters. I am one of those who are waiting for the season to open before going out after the birds and I know there are many others who too are waiting for November 1st. The Bryan Gun Club is to be commended for the stand they have taken against the illegal hunting of game out of season and against the practices of the unfair sportsman.

Tabor Is to Have Good Basketball Team This Year

Adolph Conrad, star of the Tabor High School basketball team for the past year or two, was in Bryan today on business. He graduated last year and is ineligible for play this year, but Adolph is still interested in the future prospects of the school and its athletics and keeps himself posted on developments. Adolph states that the team will be fully as strong this year and perhaps stronger. With the addition of a Lawless boy who attended the Kurten school last year, and two others coming up from the under-classes, the three veterans of last year's team are being ably assisted. The team will be fast and speedy on the court and should be considered by any doer who is figuring out the chances for the county and district honors this year on the State Interscholastic League.

Program Given At Meeting of Junior Society

The Junior Missionary Society of the First Methodist church met as usual Sunday morning during church hour with 40 present, two of them new members. Ten visits to the sick, six gifts to the sick and 23 doing Bible reading, were shown by the reports made. Junior President Jno. W. Black, Jr., led the devotional with songs and reading from Mark 1:1-6 which was followed by prayer by the superintendent of children's work, Mrs. D. P. Gaby.

A short program was then given as follows: Libby-Lynn Gardner gave the Bible lesson and a recitation "The Mirror"; Helen Lawrence and Edna Earl Boetha told some Bible stories and little Miss Maurine Neely sang "Love Lifted Me".

On next Sunday the pictures will be shown. On Saturday afternoon the Society will meet in its room at the church for song practice and work on the flower books. It is desired that all attend as these meetings are to prepare for the Holiday season.

Those present, by groups, were: Group No. 1: Mary Bess Egan, W. A. Middleton, Helen Lawrence. Group No. 2: Libby-Lynn Gardner, Catherine Lawrence, Lois Spell, Nell Spell, Ann Cline, Willie Grissett. Group No. 3: Geo. Barnes, Jno. W. Black, Jr., Metz Williams, Walter Lee Porter, Boyd Williams, H. G. Stallings. Group No. 4: Leona Mae Egan, Emmet Len, J. W. Hall, James Henry Lawrence, Herbert Grissett. Group No. 5: Annabelle Barnes, Lyle Cuykendall, Irvin Lene, John T. Egan. Group No. 6: Kirby Joyce McKenzie, Mayree Cuykendall, Wanda Cuykendall, Thomas Koppe Hall, Elizabeth Hall, H. A. Robinson, Harold Sterns. Group No. 7: Mildred McKenzie, Edna Robinson, Neva Robinson, Jane Munday, Edna Earl Boetha, Mrs. D. P. Gaby, Mrs. A. K. Robinson, Mrs. B. T. Poole, Mrs. H. D. Cuykendall.

MITCHELL'S COUNSEL CHALLENGE THREE MEMBERS COURT

Junior Student At A. & M. Found Dead In a Manhole

GEORGE D. CRAIG OF BROOKSTON SUFFERED ACCIDENTAL DEATH

Justice J. W. Hamilton of Bryan Renders That Verdict in Tragedy Discovered Shortly After Noon Today—Craig Thought To Have Fell From Ladder in Manhole, Striking Head on Valve—Death From Drowning.

George D. Craig, aged 26, a junior student at A. and M. College, and a member of Company E, Cadet infantry, working his way through the institution, met death accidentally last night in a manhole near the septic tank at the animal husbandry department buildings, according to the findings of Justice J. W. Hamilton of Bryan shortly after noon today, following the finding of the body. Craig, whose home is at Brookston, Texas, where his parents, Mr. and Mrs. J. G. Craig, reside, worked for the Building and Public Utilities Department under W. W. Kraft, according to the publicity department at College, which furnished the data in regard to the incident. A part of his duties was to visit the scene of this septic tank each night and go into the manhole and open the valves which drain the sludge off the top of the tank. The manhole is about seven feet deep and five feet in diameter, about 18 inches of water standing in the bottom. He had gone into the hole, opened the valves and is thought to have slipped from the ladder while making his exit, falling into the manhole and the back of his head striking on one of the large valves. Following up this surmise, it is concluded that he was knocked unconscious and met death by drowning before he could regain consciousness. The body has been brought in to the McCulloch-Gordon Undertaking Company pending word from the parents. A brother of the deceased, C. L. Craig, who graduated last summer and is now teaching at Panhandle, was a member of the A. and M. baseball team.

BUSINESS IS SPLENDID OVER THIS DISTRICT

DROUTH CONDITIONS BEEN GREATLY EXAGGERATED, REPORTS INDICATE

(By Associated Press).
DALLAS, Oct. 28.—Business conditions in the 11th Federal Reserve District are in excellent condition and prosperity is noted in all branches, in the monthly business review of the Federal Reserve Bank here, made public today. The report declared that the only offset is the slow condition in dry areas. The Review said, however, that these conditions have been somewhat exaggerated.

Cars Collided At Episcopal Church Corner

The delivery car of Roman and Vick and the Studebaker car of Mr. and Mrs. A. P. Swallow collided on last Saturday at the Episcopal church corner, the damage to the Swallow car being considerable, no one was injured except a small scratch to Margaret Ann Fairman who was in the car with Bettie Swallow, that did not amount to anything. The rear of the Swallow car was hit by the light truck and the back fender badly smashed up, the bumper knocked off and the rear curtain glass broken.

A. AND M. COLLEGE POULTRY WON FIRST PLACE ON EXHIBITS AT DALLAS FAIR

(Special to the Eagle)
COLLEGE STATION, Oct. 28.—The College exhibit of waterfowl at the State Fair at Dallas won six first places and the exhibit of fancy poultry won three first and two second places, according to information given out by Professor D. H. Reid, head of the Poultry Husbandry Department.

Work On Jones Bridge Will Be Started Soon

A representative of the Austin Bridge Company of Dallas is in Bryan this week taking preliminary steps necessary to the construction of the new 180-foot span on the Jones' Bridge over the Brazos River. He spent Tuesday at the scene, taking some measurements and doing other necessary work. Notification will be given the public when this bridge is closed for the real work of construction, according to County Judge H. O. Ferguson.

STINNES' SON COMES STATES MAKE A HOME

SON OF LATE HUGO STINNES, INDUSTRIAL MAGNATE, IS COMING TO AMERICA

Tired of Trouble

GERMAN BUSINESS MAN WANTS TO LEAVE SQUABBLING OVER FORTUNE

(By Associated Press).
BERLIN, Oct. 28.—Tired of family quarrels and squabbles with bankers and receivers over the remains of the family fortune, Edmund Stinnes, eldest son of the late Hugo Stinnes, industrial magnate, has secretly embarked for the United States. His unexpected departure, friends say, represents a determination to seek a new business environment.

Conference of Free Baptists Opens In Bryan

The State Conference of the Free Baptist church was called to order last night at 7:30 o'clock at the church of that denomination in Bryan by Rev. C. B. Thompson, pastor of the local church and president of the conference. The evening sermon was preached by Rev. J. L. Bounds of North Zulch, whose topic was based on the story of the Four who carried a man to Jesus.

About 40 delegates were present and others arriving today, many of them by car, are expected to swell the total to around 75. The service this morning was devoted to business. Rev. D. D. Baggett of Red Springs preached this morning at the 11 o'clock hour. The afternoon sessions were devoted to business and committee reports, closing at 4 o'clock. The sermon tonight will be preached at 7:30 o'clock in the Free Baptist church. The speaker has not yet been announced. There will be an ordination service tonight, when W. M. Biggers of Union Hill will be ordained a Free Baptist minister.

Congregational Church Favors No Regulation

(By Associated Press).
WASHINGTON, Oct. 28.—The Council of Congregational Churches went on record here today as believing that there can be no conflict between science and religion and deploring any attempt by state or federal governments to interfere with the teaching of widely accepted scientific theories.

PRESIDENT T. O. WALTON ADDRESSES LIONS

An unusually fine program was presented at the Lions Club weekly meeting yesterday. After the usual preliminary songs, luncheon, and introduction of visitors, Lion President Erskine turned the meeting over to the program chairman, Lion R. L. Brown.

The first number was a reading by Miss Maurine Neely, "Spreading the News", which was presented in a manner worthy of a mature artist and elicited much applause.

Frank A. Briggs, editor of the Farm and Ranch was then introduced and made a few appropriate remarks regarding his appreciation of the Lions and the work they are doing. Then came the speaker of the occasion in the person of T. O. Walton, president of the A. and M. College, who was introduced by the song paraphrased so as to read, "T. O. Walton is style all the while", rendered by the entire assembly.

He talked of the mutual problems of the Lions, citizens of Bryan and the A. and M. College, and asked the question as to how many of the Lions knew the Lions' code, saying that No. 6 sounded the high note in citizenship. He then read this paragraph of the code as follows: "Always to bear in mind my obligations as a citizen of my nation, my state, and my community, and to give to them my unwavering loyalty in word, act and deed; to give them freely of my time, labor and means".

RECORD FREEZE OF SEASON IS PREDICTED TONIGHT

(By Associated Press).
FT. WORTH, Oct. 28.—The first hard freeze of the season is predicted for tonight in North Texas and the Panhandle. The cold wave which struck this section early today had sent the mercury down to 28 degrees at Wichita Falls within a few hours.

Two Dallasites Die From Duck Season Causes

(By Associated Press).
DALLAS, Oct. 28.—Two Dallas men are dead, both victims of duck season accidents, which occurred about the same time today. Clem Wilson, aged 30, hardware city salesman, was drowned when a small boat capsized. Thomas Shells, aged 64, pioneer Dallas planing mill owner, died from the accidental discharge of a shot gun while preparing for a hunt.

Well Baby Clinic Will Be Held As Usual Thursday

On Thursday afternoon between the hours of 2:00 and 4:00 o'clock, in the office of County Health Nurse Miss Elizabeth Curtis, at the court house in Bryan, there will be held the usual weekly Well-Baby Clinic, at which time mothers may bring infants and children of pre-school age for free examination and advice regarding their growth and welfare.

FIGHTING BREAKS OUT ANEW ON GRECO-BULGARIAN BORDERLINE

(By Associated Press).
A number of dispatches from several sources today indicated that fighting had again broken out on the Greco-Bulgarian frontier. An official dispatch from Sofia reported that the Greeks had opened fire on Bulgarian frontier Post No. 5. Another official dispatch from Athens said the Greeks had been attacked by the Bulgarians near Ramna, located on the Greek border. Meanwhile, at the League of Nations Council meeting in Paris, Greece today announced that Bulgarian territory would be evacuated within the 60-hour limit laid down by the Council.

PRESIDENT T. O. WALTON ADDRESSES LIONS

splendid cooperation and pledged his very best efforts to reciprocate by cooperating in every possible manner and expressing the belief that by mutual cooperation the educational interests of the state would be best served.

Lion President Erskine then pledged President Walton the cooperation of the Lions Club in Bryan in promoting the programs of the College and in rendering a real service to the homes, communities, citizens, and other interests of Texas.

Those present were: J. E. Hensarling, R. L. Brown, E. J. Hunt, Mrs. E. J. Hunt, T. A. Munson, J. Bryan Miller, Major L. L. McInnis, President T. O. Walton, M. M. Erskine, Frank A. Briggs, Editor Farm and Ranch, Dallas, Texas; W. P. Moore, Pat Newton, Willard Chambers, M. F. Vitop, O. J. Parks, J. M. Ferguson, F. B. Patranella, Theo. H. Thompson, Harry S. Edge, Sol Gerson, Lamar Jones, W. E. Neely, Maurine Neely, R. E. Bosque, R. V. Armstrong, Fred Hale, L. L. Stephens, Tom G. Suter, S. E. Eberstadt, V. R. Smith, E. L. Gibson, Edwin E. Aldridge, S. C. Hoyle, C. A. Searcy, Maurice Searcy, Mrs. Roy Danforth, pianist.

PEREMPTORY CHALLENGES FOR MEN HAD STATED THEIR OPINIONS

Colonel William Mitchell Opens Defense By Dismissing from Bench Three High-Ranking Members of Court Martial Because Their Status on Question Had Been Made Known.

(By Associated Press).
WASHINGTON, Oct. 28.—Colonel William Mitchell began his defense at the court martial today by driving from the bench three members of the court. Those who were disqualified were: Major General Charley Summerall, Brigadier General A. J. Bowley, and Major General Fred Sladen. The challenges were made by Mitchell's counsel, based on utterances of the first two men against the separate air department favored by Colonel Mitchell and in support of which he used the language which led to his court martial on a charge of violating good discipline. They were dismissed on peremptory challenge. The vacancies caused by the challenges are not filled. Army court remaining members retaining full authority to act with the challenges disposed of, therefore, the court was sworn in with its original membership of 13 reduced to 10.

Bryan Gets Latest In X-Ray Machine

Faith in the progress, growth and development of Bryan is essential before business and professional men are willing to make heavy investments in installing modern machinery and up-to-date improvements. This faith has been manifested by Drs. Searcy & Wilkerson when they installed a Kelsket X-Ray Machine, Remote Control Model, 71inch, 107,000 volts, in order to guarantee the best of service to their patrons.

D. B. Schaeffer, of Temple, representing R. P. Kincheloe, of Dallas, spent some time here installing this machine, which is now in working condition and many friends and patrons are finding much pleasure and instruction in inspecting the machine and occasionally taking a look at the structure of their hand-through the X-Ray machine. Mr. Schaeffer, in discussing the machine said that it was the latest and most up-to-date machine of its kind in Texas, and that it was capable of taking a picture of any part of the anatomy of man from the toe to the top of the head. The fluoroscopic table is electrically driven. The machine is installed in a separate room which has been darkened for the purpose, and fitted with the proper lighting system.

The equipment is said to have cost between \$3,000 and \$4,000, and is one step more toward making Bryan a metropolis capable of serving the various demands made by modern inventions and improvements in promoting happiness, health and welfare of humanity.

Gregory Chosen Commencement Speaker State

AUSTIN, Oct. 28.—Thomas W. Gregory, attorney general of the United States during President Wilson's administration and graduate of the University of Texas as school of law, has been chosen to be the principal speaker at the commencement of the university, according to Dr. J. B. Wharey, chairman of the commencement committee. The subject of his address has not yet been determined. Gregory formerly made his home in Austin, but is now a resident of Houston.

'IS ONE CHURCH BETTER THAN ANOTHER' IS SUBJECT OF REV. ROY S. HOLLOMON AT REVIVAL

Tuesday night at the College Avenue Baptist church revival, Rev. Roy S. Hollomon read his scripture lesson from the 18th chapter of Matthew, beginning with the 13th verse. As his text, he chose the 18th verse: "And I say also unto thee, That thou art Peter, and upon this rock I will build my church, and the gates of hell shall not prevail against it".

"The only answer to this question is: 'No', and this sermon is merely a development of that answer. To you and me the church has a distinct meaning, but there is no word found in the Bible with the religious significance our word church has. The Greek word from which our word church comes is ecclesia, meaning gathering. It was a coming together of people for any purpose, for instance the unlawful assemblage found in 19th chapter of Acts. There are many uses to which the word church may be put, for instance in the Old Testament the church in the wilderness is mentioned. This merely denominates the congregation of Israel out there and is not used at all in the New Testament sense. "The word church may be used to denote the local, individual congregation as the First Baptist church of Bryan, or the College Avenue Baptist church of Bryan. Then the term may be used to denote church as an institution to distinguish it from any other institution such as home, state and the like. But it is impossible to apply the term except in the individual sense. Then there is the term used in the Bible to designate all the saved of earth in glory. But since that is yet to come it is utterly beyond application in this sense for we are still on earth.

"Taking up first the origin of the church we hear Christ say 'On this rock will I build My (Ecclesia) My church. A clear line of demarcation between it and the Jewish church is made and for the Jews to come into fellowship they must first repent, believe, and be baptized in the name of Christ. FIRE BREAKS OUT WEWOKA IN OKLAHOMA

DAMAGE IS ESTIMATED AT MORE THAN A QUARTER MILLION DOLLARS

(By Associated Press).
WEWOKA, Okla., Oct. 28.—A fire of unknown origin, which broke out here early today, destroyed five business buildings and caused damage estimated at more than \$300,000 before brought under control, after firemen from Holdenville had arrived and joined the local fighters. The American Hotel was among the buildings destroyed.

Reading Club Of Bryan Met On Tuesday

The Bryan Reading Club held a very interesting meeting on Thursday afternoon. The program for the day was the life and work of the famous landscape painter, George Inness. Mrs. O. O. Henderson, the leader, made a few introductory remarks. A paper on the life of George Inness was read by Miss Alice Burtis. Mrs. E. M. King gave a paper on his most noted paintings. She illustrated her talk by a very familiar and charming picture, "The Home of the Heron", one of his most noted works. Mrs. Fred Jones then gave a very instructive paper on "How to Appreciate a Picture." After a short parliamentary drill led by Mrs. Jno. Seeley Caldwell, the club adjourned.

THE GOLDEN RULE OF THREE

Three things to be—pure, just and honest.

Three things to govern—temper, tongue, and conduct.

Three things to live—courage, affection, and gentleness.

Three things to love—the wise, the virtuous, and the innocent.

Three things to commend—thrift, industry, and promptness.

Three things about which to think—life, death, and eternity.

Three things to despise—cruelty, arrogance, and ingratitude.

Three things to admire—dignity, gracefulness, and intellectual power.

Three things to cherish—the true, the beautiful, and the good.

Three things for which to wish—health, friends and contentment.

Three things for which to fight—honor, home, and country.

Three things to attain—goodness of heart, integrity of purpose, and cheerfulness of disposition.

Three things to give—alms to the needy, comfort to the sad, and appreciation to the worthy.

Three things to desire—the blessing of God, an approving conscience, and the fellowship of the good.

Three things for which to work—a trained mind, a skilled hand, and a regulated heart.—Selected.

Flowered wall paper, 4 1/2 cents a yard.

Salt, 2 1/2 cents a pound.—Blue Valley Bulletin.

A GOOD GUIDE

The following, known as the "Bible Readers' Guide," is worth a place in your scrap book, and is a very comforting thing to follow:

When blue, read Psalm 34.
When doubtful, try John 7:17.
When in sorrow, read John 14.
When forgetful, read Psalm 193.
When discouraged, read Isaiah 40.
When men fail you, read Psalm 27.
When you have sinned, read Psalm 51.
When worried, read Matthew 6:19-34.
When lovely or fearful, read Joshua 1.
When you grow bitter or critical, read I Corinthians 13.
When you leave home for labor or travel, read Psalm 121.

He who is for forcibly stopping the mouth of his opponent, or for burning any man at the stake, or for impairing his means of procuring an honest livelihood, or treating him scornfully on account of his peculiar view of any subject, is under the domination of a spirit of ruffianism or cowardice. On the other hand, he who forms his opinions from the dictates of enlightened reason and sincerely desires to be led into all truth, dreads nothing so much as the suppression of free inquiry, calmly listens to the objections of others, feels nothing of anger or alarm lest his foundations be swept away by the waves of opposition. In proportion as we perceive and embrace the truth do we become just, heroic, magnanimous, divine.—William Lloyd Garrison.

The Aggies have a stiff fight ahead of them. After a tussle with the Baylor Bears, they take on the Horned Frogs and the Hooting Owls before the final fray with the Texas Longhorns. But we have no fears when the final whistle blows Aggie land will have reasons to rejoice.

Scattered all over the globe, employed in every conceivable vocation, A. and M. students are taking the name of their school wherever they go. In every instance bringing honor to the institution.

Didja ever know a supposed friend to ridicule your work or your profession when it happened to play to his advantage? Didja?

"Many suggestions should be carried out. And then buried!"—Terrell Tribune.

One has but to check up on the postal receipts to know just how much money is going out of Bryan to foreign business houses. This is not as it should be, but there is only one way to combat it and that is for Bryan merchants to consistently keep before the trade of this territory their merchandise. There is such a thing as creating a desire for merchandise by constantly reading about it.

One of the keys to success in life is to be prepared when your opportunity comes. The world is just full of dreamers, wishers, hoppers, but that won't get you anywhere. What you want to do is to touch these dreams, wishes and hopes with dynamic activity and make them come true. Dreams can come true.

Texas farms have increased 30,387 more than there were in 1920. There are now in Texas 466,420 farms.

Music Study Club Is to Bring Big Attractions Here

The Music Study Club held its first meeting of the year Wednesday afternoon at 3 p. m., the new president, Mrs. J. N. Dulaney, presiding. Minutes of the last meeting of the year 1924-25 were read and approved. The resignations of Mrs. R. H. Harrison and Mrs. Chas. A. Felker were read and accepted with deep regret. Mesdames Ross, Samuels and Downard were unanimously elected to membership. The president talked of coming attractions to be brought to Bryan during the winter months by the Music Study Club and definite dates will be announced later. The meeting was then turned over to Mrs. R. L. Ware, leader of the program, who very interestingly explained the new course of study for the year. One half the time will be devoted to "Fundamentals of Music," by Karl W. Gehrkens, and the other half to the time to music appreciation. Mrs. M. K. Thornton gave an intelligent lecture on the first chapter of the study course which was enjoyed by all, after which Mrs. M. E. McCartney gave two beautiful readings. After reading the Club motto in unison, the club was adjourned.—Reporter.

Fine Meeting Is Held At Edge By Association

Bryan had a splendid representation at the Brazos County Baptist Association meeting at Edge on Friday and those in attendance report it the very best meeting in attendance, interest and enthusiasm, since the association was formed some three years ago. Formerly Brazos county was a part of the Brazos-Robertson Association. P. S. Park was chosen as moderator and talks were made by the following: Dr. J. C. Hardy, president of Baylor College, Belton, Christian Education; Rev. Chas. Bullock of Hearne, Building up the Sunday School; Mrs. O. B. Love of Fort Worth, Sunday School Work; William Tharrah, Mexican Missionary made a plea for a Mexican Orphanage Home for Bryan, which was adopted by the association. Rev. Roy S. Holloman, pastor of the College Avenue Baptist church supported the plan of Rev. Tharrah in an appealing talk. The association gave endorsement by contributing a substantial offering of money. Well-born was chosen for the meeting place next year.

Mrs. R. W. Persons, chairman of the woman's work presided over the afternoon meeting. Messengers representing the First Baptist Church were: Mesdames T. R. Batte, Tom Higgs, W. C. Outman, W. S. Howell, Coulter J. Smith, Artie Newman, E. R. Alexander, J. G. Minkert, G. F. Singletary, Miss Martha Mart, and Mrs. P. S. Park. Representatives of the College Avenue Baptist church were: Rev. and Mrs. Roy S. Holloman, Mesdames R. W. Persons, G. F. Lee, J. M. Dunn, Locke McNeely, J. L. Reese, R. B. Grant, R. R. Rush, S. E. Locke, and Mr. and Mrs. H. P. Damsby.

Robertson County Singing Meet To Be Held On Nov. 1

ROCKDALE, Oct. 26.—Meeting in that place for the first time since its organization years ago, the Robertson County Singing Convention will convene in the First Methodist church, at Hearne, Sunday afternoon, November 1, with a number of the famous singers known throughout Central Texas on the program.

Francisco Zito Tells Audience Of His Travels

Rev. Francisco Zito, who returned last Friday afternoon from a four year's travel and work abroad, spoke last night at the First Methodist church, occupying the pulpit of Dr. M. H. McCain. Rev. Zito left Bryan in April 1921 on a four months' leave of absence from his work here as Italian Missionary pastor, to visit friends in Italy and to look after some personal business. Due to illness in his family and from other causes, he was unable to return at the end of four months, and the time has extended until it is now four years since he left Bryan. It is understood that Rev. Zito will return to his work here as pastor of the Italian Methodist church and that Rev. Bruno Martinielli, who has built the church here and accomplished great good during his pastorate, will be promoted to some higher place in the church work.

Fine Recommendation

Francisco Zito was born on May 30, 1866, at San Constantine in the Province of Cosenza, Italy, according to a letter of recommendation issued by the British Foreign Society, with whom he has worked for the past several years in Italy. The letter states that Rev. Zito entered the service with the society on the 17th of July, 1921 and gave his resignation on the 30th of September 1925 in order to return to America. While he has been with our dependence he worked with great illuminative zeal, with much tact and with great earnestness and intelligence, making everywhere good results with his work. The recommendation is signed by Director Dr. Enrico Pons.

At the Methodist Church on last evening he preached on his experiences in Italy as a colporteur or distributor of religious books. He sold 4,701 Bibles, 5,140 New Testaments and 11,072 portions of the Bible. He made many sales to pilgrims who came to Rome to the Holy Door. He said that his mission in this work was to show the people that Christ was the one who saves, citing the text Jno. 10, "Jesus Christ is the true God."

The scripture reading was by Dr. H. H. McCain who read the 11th chapter of the Book of Romans for the evening's text.

Rev. Zito said that he sailed from Rome on the 7th of October and took Psalm, verse 7-8 as his guidance: "The Lord shall preserve thee from evil; He shall preserve thy soul. The Lord shall preserve thy going out, and thy coming in, from this time forth and even for evermore."

Rev. Zito described the smooth seas as far as the Canary Islands and the stormy seas for the next four days. He said that the people were crying and in great fear that he went to them and read Psalm 107:29: "He maketh the storm a calm and the waves thereof are still." These people, he said, had much confidence in me and they ceased to weep and to fear. He said that he was very glad to have these people accept him as a comforter and to tell them about God. He stated that when he left the ship he asked them, after they had landed, to seek more truth about the Bible and to investigate the teachings of the Protestant churches.

Slow To Assimilate

"I told them to go to Americans and talk to them because they are good people and good hearted and he said he would guide you in the right path in all things. When you have learned Americans' way to live, you will be better off and more content and live more happy in the country to which you have come."

In closing his talk Rev. Zito urged the American people of this community to get nearer to the Italians. They are good people, he said, but they are often misunderstood and are slow to assimilate. After expressing his happiness at being back in this country and in Bryan he said if we all could better understand each other the Kingdom of God would be thus advanced and the people become better.

Bryan Relatives Shocked Death Of Mr. M. Gregg

News of the death of M. Gregg at Houston Saturday afternoon as the result of a shooting affray in that city, came to Bryan friends and relatives as a great shock. Deceased was a son of Duard Gregg and formerly lived with his parents in this city. J. G. Gregg of this city is an uncle of the deceased, and he also has many other relatives here. Mrs. W. W. Weaver, Gordon Weaver, J. G. Gregg, Oscar Gregg and Misses Aline and Aurelia Gregg went from Bryan to Houston Saturday afternoon to attend the funeral which took place on Sunday afternoon.

AGED NEGRO DIES

Uncle Wash Stearns, an old negro citizen, died Saturday morning at 7:30 at his daughter's home 8 miles west of Bryan. Burial will take place Wednesday at St. Stephen's Chapel Cemetery. The Bryan Undertaking Co. has charge of the arrangements.

BRYAN TO HAVE WELL EQUIPPED PARK—FREE TO ALL CITIZENS

At last! The City of Bryan will be enabled to enjoy the conveniences of a well-equipped park without charge. This is according to the plans of Mr. and Mrs. W. H. Robertson, who have sold their home on College Avenue, just beyond the Gulf Filling Station, and taking in trade an eight-acre wooded tract that extends from the Bryan-College Traction Company Interurban Line across to the College paved road. They plan to build on this tract, fronting the roadway, a new two-story modern home, and nearby will be located a filling station and a little store to sell groceries and light tourist supplies to the public that travels on wheels during seasons. They also plan to fit up the rest of the tract for a city park where city folks may come and enjoy the use of it, or a least in part, free. A swimming pool is to be made, with dressing rooms and shower baths. Tables, chairs, benches, swings and other conveniences will be provided. A nominal charge will be made to tourists. The interurban stops at the tract now and a sidewalk leads from the platform into the proposed park. Water will be supplied by the deep well; lights from the Country Club.

HISTORIC TEXAS DOCUMENT IS SENT TO DALLAS NEWSPAPER—RECORDS SALE WHISKY-SLAVE

(From Dallas News)

Ten barrels of whiskey at 22c a gallon; payment secured by a bill of sale for a 15-year-old slave girl.

That is the gist of a legal document, remarkable in several ways, which is on file in the real estate records of San Augustine county.

Both items named in the document are illegal in barter and sale now. But when this paper was filed, in 1842, both were legal and both, evidently, cheap in Texas.

Oran M. Roberts, known as the "Old Alcalde," former governor of Texas, from head of the University of Texas, and chief justice of the supreme court of the State, then living in San Augustine, was the man who bought this whiskey, eighty-three years ago. He purchased ten barrels of it from one Abner Parther and the price was 22c a gallon, making a total of approximately \$2.20 for the lot.

Roberts bought the whiskey September 1, 1842, and agreed to pay Parther for it by November 15, following. The records would indicate that payment slipped his mind, for on December 27, 1842, more than a month after the money was due, Parther filed in the county records a bill of sale for a slave girl, which had been given to secure the debt. The bill of sale was for a "certain negro girl, about 15 years old, warranted to be a slave for life," and was to have been void if the whiskey bill was paid.

S. W. Blount, of Nacogdoches, found the old document and has sent a copy of it to the Dallas News. With it he sent the following note:

"I send you herewith a remarkable document and to the present generation a historical curiosity. Governor Roberts came to Texas and settled in San Augustine in 1837 and practiced law. Shortly afterward he acquired a good farm on the Patron Creek in Shelby county and with a few slaves lived there and farmed and practiced law."

In looking over the real estate records of San Augustine county, I found this document recorded in volume F, pages 124 and 125, where sales of slaves at that time (1842) were recorded.

"I knew him well from 1869 till his death and can find no reasonable solution of the execution by him of such a paper or what he could have done with the ten barrels of whiskey. Note the price, 22c a gallon."

"The John P. Border, before whom the paper was authenticated, was a San Jacinto veteran and in 1842 was clerk of the county court of San Augustine county and in 1864 a colonel in the Confederate Army."

Professor Ossinsky is completing a tour of the United States. He is in this country to study American agriculture in relation to Russia but his chief interest in Texas was ranch economics, cotton production, and the types of farm organizations prevalent in the cotton belt and the ranching area. He has spent several days at A. and M. gathering information and data from the Department of Agricultural Economics and from the Experiment Station.

From Texas Professor Ossinsky is going east through the South-eastern States to Washington and to New York to embark for his native land.

Tabor Basketball Team Won Their Two First Games

(Special to the Eagle)

TABOR, Oct. 23.—The Tabor high school "Yellow Jackets" played their first match game of the season with Wheelock boys on the Wheelock court Wednesday afternoon. The final score was: Wheelock 26; Tabor 26. Players from Tabor are Sam Walker, George Broach, Ervin Lawless, Charlton Cooper, and Conlee Wilson. The second game was played the following day on Tabor's court, with Edge. The score was Tabor 20; Edge 6. We feel proud of our ball team, and hope they continue their good luck.

J. W. CLOUD OF RELIANCE DEAD

J. W. Cloud, aged 86 years, died Monday, October 26th at 5 a. m. at the home of his daughter, Mrs. Zeph Jones, and family, in the Reliance community. For the past several weeks, Mr. Cloud has been quite ill, and, on account of his advanced age, little hope has been entertained for his recovery. His children, two sons, and two daughters, were at his bedside during his last illness, and all that loving hands and tender care, linked with the best medical skill could do, was done, but the spirit of the beloved father and grandfather, passed away at the hour above stated.

J. W. Cloud was a man among men, noble, upright and true to every characteristic of Christian manhood. He was a pioneer in Texas and in Brazos county, having come to this section of the state from his native home in Georgia, about 1865, soon after the close of the civil war. He was a veteran of the confederacy, and served throughout the entire four years of that bloody strife, with honorable and valiant service. He was in the Virginia campaign, and was badly wounded in the seven days fight around Richmond. Later, he remained in a war hospital at Richmond, while recovering from his wound. After his health was restored he came to Texas, and has made Brazos county his home throughout a long and useful lifetime.

For the past sixty years, he and his good wife, who only passed away a few months ago, leaving her life companion here alone for a short time, have been citizens of this county, and known and beloved by all. Here they reared their family of noble sons and daughters, they served their country and generation nobly and faithfully, and now, they are again united in that home above. Two sons and two daughters survive: T. A. Cloud of Bryan; Arch W. Cloud of Goose Creek; Mrs. J. P. Clippin of Kurten and Mrs. Zeph Jones of the Reliance community.

The funeral will be held at the home of Mr. and Mrs. Zeph Jones at Reliance, Tuesday October 27th, with interment following at old Tryon church cemetery, at 10:00 o'clock a. m.

Mrs. R. L. Brown, associate matron, and Mrs. J. R. Wright, associate conductress of the Bryan Chapter, Order of the Eastern Star, left today for San Antonio to attend the meeting of the Grand Chapter, O. E. S., in session in that city. They were joined here this morning by Mrs. Alex. Blunt, worthy matron of Shiro Chapter and Mrs. Howard Yeager, worthy matron of the Chapter at Lola, who made the trip to San Antonio with them. Mrs. E. E. Yeager, of this city, who holds the office of assistant deputy grand matron, O. E. S., expects to leave Tuesday for the meeting of grand chapter at San Antonio.

Baby Daughter Of Will Conlee Died Last Night

(From Saturday's Daily)

Little Alice Estelle Conlee, the fourteen-months-old baby girl of Mr. and Mrs. Will Conlee of this city died Friday night, October 23rd, at 8:30 o'clock after an illness of only one day. Taken quite ill with intestinal trouble on Thursday, the little sufferer grew worse rapidly, and although all that medical skill could do was done, death came at the hour above stated. Sincere and heartfelt sympathy is extended to the bereaved parents, grandparents and other members of the family who mourn the loss of this precious baby girl. The funeral was conducted from the home of the grandparents, Mr. and Mrs. John D. Conlee on North Tabor avenue, this afternoon at 4 o'clock, with interment following in the City Cemetery.

HANEMAN STARS FOR BRYAN HIGH SCHOOL—INTERCEPTING PASSES

While the Aggies were busy running over and around the Teachers from Huntsville, the Little Aggies of Bryan high school were making the fight of the season in Interscholastic League district circles against the fast Yellowjackets of Caldwell. The supporting spirit of Caldwell is to be highly commended. Their songs and yells were full of pep from some time before the game until the final whistle announcing their defeat by the Bryan aggregation by the score of 7 to 0. They staged a very pretty demonstration on the gridiron before the play began.

Bryan took the offensive after the first few downs and held the advantage throughout the game, except in the first half of the third quarter when a penalty on Bryan and a forward pass by Caldwell put the enemy within striking distance, though they failed in efforts to take advantage of the location.

First Quarter.

Caldwell won the toss and Bryan kicked off from the west side of the field, Driver sending the ball to Caldwell 10-yard line. On the first down an end had laid out and a forward pass was completed, Janick to Muller for Caldwell, that placed the ball on Bryan's 40-yard line. It looked blue then for Bryan, as this feat was accomplished on the first down. On the next first down, Skrabanek smashed Bryan's line for 3-1-2 yards. On the second down Mueller lost a yard on an attempt around the left end, but made three around right end the next time. Here Caldwell punted over the goal line, and Bryan took the ball on her own 20 yard line and started a march down the field. Cloud shot off tackle for five yards and then another yard on the same play. Damsby hit the center of the line for three yards and repeated for first down. Locke shot off tackle for 7 yards and then made 7 more through center. Cloud shot through left tackle for 10 yards and the ball was beyond the middle of the field. Cloud failed to gain on the next smash but Driver made 3 yards through center, and first and 10. An end buck made a yard and Bryan was penalized five yards for off-side which put a handicap on the locals. Cloud made about 7 yards on a criss-cross but then punted prettily out of bounds on Caldwell's 16-yard line. A smash gained 8 yards for Caldwell but the ball was called back and 5-yard penalty assessed. Janick then pulled an end run that carried the ball to his 33-yard line. Mueller fumbled and recovered for a yard loss. An end buck lost 3 more yards and Caldwell punted to the middle of the field, the ball resting on the 50-yard line at the quarter.

Second Quarter.

Bryan, on the first down, gave the ball to Cloud who made five yards through left tackle. Lloyd, subbing for Damsby at the opening of the quarter, made a yard. Cloud made some more and Locke 4, making first and 10. Locke got a yard on a criss-cross through right tackle, and Cloud 4 more around the end. A pass, Cloud to Driver, failed of completion by inches. Cloud again made a pretty punt out of bounds on Caldwell's 10-yard line. On first down Mueller tried an end buck that lost nearly 5 yards. Skrabanek made it back on the next play, and Janick smashed the line for a yard but Caldwell tried to punt. The punt was partially blocked by Curtis Cobb and it rolled out of bounds on Caldwell's 31-yard line. Cloud made four yards on an end buck but here Bryan drew a 20-yard penalty for roughing, and Quarterback Driver for Bryan was ordered off the field by the officials. On the next down Bryan completed a forward pass, Cloud to Cole, that put the ball on Caldwell's 20-yard line. Cloud smashed the line for 3 yards but Bryan drew a 5 yard penalty. Lloyd failed to gain and Janick blocked a pass from out of the arms of Donald Cole. A pass, Cloud to C. Cobb, was blocked by Mueller and Skrabanek together. Cloud punted high in the air. Caldwell taking the ball on her 19-yard line, Aubrey made 2 yards and Janick lost the same 2 on a try at center. Mueller made first and 10 on a 12-yard gain around the end just before the pistol sounded for half.

Third Quarter.

Cobb kicked off for Bryan, the ball going into play on the Caldwell 35-yard line. Again, on first down, Caldwell completed a pass, Mueller to Janick, that carried the ball to Bryan's 18-yard line. Mueller failed to gain on first down and Caldwell drew a penalty of 5 yards for off-side. Lehde made a tackle around play for no gain and Caldwell punted out of bounds, a good punt by Mueller, on Bryan's 5-yard line. Cloud returned the punt to Bryan's 35-yard line, but Janick returned to Bryan's 22-yard line. On the first down, Caldwell ran the ball out of bounds to get it brought in to a more favorable position. The next play, Caldwell lost 7 yards when Bryan broke through and tackled the runner for a loss. A forward pass, Mueller to Aubrey, made the loss back when Bryan took the ball on downs. Locke made 5 yards around the end, Damsby being hurt on this play, being taken out and Haneman going in. Cloud made a yard through tackle, and then with 3 yards to

make on third down, Cloud punted away down the field to Caldwell's 20-yard line. Here Bryan was penalized 15 yards for talking on the sidelines by spectators. On the 35-yard line of Caldwell, Aubrey lost a yard at a try at center; Skrabanek making it back when he carried the ball out of bounds on the side line. On the next play, Caldwell attempted a pass which Haneman intercepted and raced from the 34-yard line of Caldwell to the 4-yard line, making it possible for Cloud to score, which he did by smashing through right tackle on the first down for a touchdown. Cloud kicked a pretty goal. Cobb again kicked off for Bryan, Mueller returning to Caldwell's 37-yard line. Dowell, on a tackle around play, made an end run for 9 yards and Lehde on another similar play made 5 more. Here Haneman got his wind knocked out, and after the time out, Mueller failed to gain on an end buck and Janick made only three yards on an off-tackle play when the pistol sounded the end of the quarter.

Bryan took the ball on downs on Caldwell's 40-yard line, after Bryan had spilled a play for a 3-yard loss. A pass, Cloud to Lloyd, put the ball just beyond the middle of the field. Haneman made 2 yards when Bryan drew a 15-yard penalty for holding. Cloud punted to Caldwell's 28-yard line when the safety was downed in his tracks. On first down, Caldwell lost 3 yards on an attempted end run. A pass, Mueller to Janick, made it back and 2 more. Bryan was penalized 5 yards for off-side and Janick made 3 on an off-tackle play. Mueller made it first and 10 to the 40-yard line. Here Julian Cobb just missed intercepting a forward pass and Cloud touch and Haneman did intercept one for a 10-yard gain. Here Cole came out and Barron went in at end. Trant recovered a fumble and Bryan was tackled for a loss by Caldwell's big guard, Johnson. Locke smashed for an 8-yard gain. Johnson broke through again, and Locke made but 2 yards on the next play, but, repeating, he made 8 yards, putting the ball on Caldwell's 17-yard line as the pistol announced the end of the game.

OLD COIN IS FOUND IN PATH OF SANTA ANNA

Wash Hearne, a negro, living on the L. M. McGee farm near Retreat, showed the Examiner a coin a few days ago which he found while picking cotton. Hearne says he picked cotton in the vicinity of Santa Anna's retreat from San Houston's forces. He thinks possibly there is some historic connection with that piece of money.

The coin in question was about the size of a nickel but was gold. Hearne says it was dirty and corroded when he found it but he succeeded in giving it quite a nice polish. On one side two words only could be deciphered. They were "warranted gold". There was other lettering on the coin but the paper man could not determine what they were. On the reverse side the coin had been so marred that no inscription could be read.

It may be that this piece of money was issued by the Spanish government and had long lain in the earth at that place until plowed up. It is also possible that some person, possessing some rare specimens of coin, lost one in that vicinity in recent years and it may have no connection whatever with the Spanish or Mexican governments or with Texas. Some person familiar with old coins might be able to tell something of its origin.—Navasota Examiner.

DEFEATED FOR HIGH PLACE BY HIGHLAND PARK HIGH SCHOOL

Seventy-five Dollars in Cash, a Hundred Dollar Scholarship and a Thirty-five Dollar Jeweled Sabre Among Prizes Won by Bryan Academy in Military Contests at Dallas.

Allen Military Academy of Bryan has won high honor again by taking the prizes for Group No. 2 in the Military Drill contests at Dallas, featuring R. O. T. C. day at the Dallas Fair. There were twelve schools entered in the competition, six of them being the high schools of Dallas, classed in Group 1. Allen Academy was defeated in finals in dual contest with Highland Park High School, winner of its group. Sixty cadets from the Bryan school entered the contest under Cadet Captain Wert Love, of Marfa, the efficient commander; and First Lieutenant Neff Mainer of Lovelady and Second Lieutenants Pelham Barron and James Dunn, both Bryan boys. Capt. G. W. Griner, U. S. Army, on detached service at Allen Academy, is the military instructor in charge of the work at the school.

The Allen contingent of 70 men in all, left in a special car, attached to the noon train on Thursday on the H. and T. C., for Dallas, the Dallas Fair management paying a part of the transportation expenses. The events in the competition were held in the big stadium at the fair grounds and 12 teams were entered, as follows: Group No. 1, Dallas Schools: Oak Cliff High; Sunset High; Bryan Street High; Dallas High; Highland Park High; and Forrest Avenue High; and Group No. 2: Schools outside of Dallas: Main Avenue High School, San Antonio; Texas Military College, Terrell; two Fort Worth High Schools and Allen Academy and North Texas Junior Agricultural College.

At the conclusion of the competitions, which consisted of execution of movements as prescribed by the judges, Highland Park was found to have won first place in Group No. 1 and Allen Academy in Group No. 2. By winning this place, Allen received \$75 in cash, a camp Dallas scholarship valued at \$100 and a jeweled sabre for the cadet captain commanding the company, valued at \$35. Then the two winners entered a dual contest which Highland Park School won, getting the possession of the \$300 loving cup. Col. Jno. F. Preston, Chief of Staff of the Eighth Corps Area, made the presentation of awards and prizes to the successful competitors.

Never Been Eliminated. It was a huge crowd of 7,000 or 8,000 people who witnessed the military drills and enthusiasm was at high pitch, both among the spectators and in the sections of the stands reserved for the special rooters of each of the Dallas high schools. The Allen boys and those of the other schools were in brand new uniforms throughout with all articles of wearing apparel of each of the 60 boys matching perfectly. This is the second contest that Allen Academy has entered in a military way and the results have been practically the same, Oak Cliff High defeating Allen Academy in the final run-off last year. The Allen Academy is the only school in the state to have never been eliminated without reaching the finals.

Spirit Runs High. The Allen company is deserving of praise for the enthusiasm manifested both at practice and during the competitive drill. Each morning before breakfast, at the academy in the final run-off last year, drilled for 45 minutes in preparation for this event and their slogan had been "Beat Dallas". Dallas had adopted the contrary slogan as they realized that Allen Academy was their chief opponent. Hardly a dry eye was noted in the ranks of the Academy boys as the final decision was announced in favor of Highland Park. Allen is now making preparations to "Beat Dallas" next year.

Praise For The Fair. Capt. G. W. Griner, the instructor who accompanied the boys, and Sgt. Chet Jones, both are loud in their praise of the Fair management which not only furnished a part of the transportation to and from Dallas, but also the street car transportation in the city; and mess and quarters. They even asked the Bryan delegation to remain over for the week-end at their expense and seemed to regret having them leave.

Joseph Penicka Died Last Night At the Hospital

(From Tuesday's Daily) Following an operation for locked bowels, Joseph Penicka, aged 45, died in the Bryan Hospital last night at 10 o'clock. He took ill on last Tuesday, a week ago, and medical attention was summoned the following day. On Sunday he grew critical and yesterday was brought in to the hospital.

The funeral services were held this afternoon at 4:00 o'clock at the home, 9 miles southwest of Bryan on the banks of the Little Brazos, Rev. Father J. B. Gleissner, officiating, with burial following in the Smetana cemetery. Deceased was born in Czechoslovakia on March 25, 1880. He came to Texas 12 years ago and first settled in Williamson county. He came to this county 6 years ago and for the past three years has lived on the banks of the Little Brazos. He is survived by his widow and three sons: Joe, aged 17; Frank, aged 12 and Fred, aged 2.

CITY MANAGER J. BRYAN MILLER BACK HOME NOW

After a week's visit to points in North Texas and visiting old friends at Greenville and relatives at Leonard, City Manager J. Bryan Miller is home again. While on his vacation from the office he spent some time at work in that he visited places having water towers and also visited power plants, looking to securing the best possible for Bryan when it puts up the tower voted in the recent election and when the new additional unit is added to the local power plant, which is contemplated in the near future.

HELEN HALSELL AND JOSEPH T. MALONEY WED

The marriage of Miss Helen Halsell, daughter of Mr. and Mrs. George Halsell to Mr. Joseph T. Maloney, son of Judge and Mrs. J. T. Maloney, was solemnized this afternoon at 5 o'clock at Saint Andrews' church, with Rev. S. Moylan, Bird, rector of the church officiating. Following the ceremony, an elegant supper and reception was given at the home of the bride's parents. Mr. and Mrs. Maloney will leave tonight for a short bridal trip, after which they will be at home in Bryan, at the new Douglas Howell Apartments. A full account of this marriage will appear in the social columns of the Eagle on Friday.

FAMILY RECORD BOOK VALUED AT OVER \$1,000

(Special to the Eagle) AUSTIN, Oct. 12.—Family genealogies are not always rare, but a hand-made book of such nature in the Garcia collection of the University of Texas is distinctly unique, according to Dr. Lota Mae Spell in charge of the collection. This book, made in Spain in 1793 for a Spanish noble family that had migrated to Mexico, is considered one of the most interesting in the Garcia library. It is artistically decorated throughout, and all the work was done by hand. The leaves of the book are of the highest grade of parchment, practically unobtainable at the present time because of its exorbitant cost. Pineapple silk covers the pictures. The volume is bound in red leather.

With the volume was the scribe's bill for the work. For the lettering he received \$20; for the coat of arms, \$180; for the family crest, \$200; for the seals and signatures, \$42; for the binding and slip cover for the volume, \$120. The total cost of the book is given in the bill as \$1,335.

I. B. TODD INVITES HIS FRIENDS TO SHARE CELEBRATION OF HIS FIFTY-SEVENTH BIRTHDAY

(By A. W. Buchanan)

If there is ever a more pleasant occasion than the celebration of some good man's or woman's birthday anniversary, with a great barbeque dinner, the writer has failed to find it in all his rounds. For all the members if the immediate family together with their kindfolk and dear friends to meet together on such a joyous occasion, meet and greet each other, talk together, laugh together and eat together, is about all the joy and pleasure that an ordinary person can stand at one time. Such a time was had at our good friend's, I. B. Todd's, on last Sunday, the 25th. About 75 people, under special invitation, gathered at the beautiful country home of Mr. Todd to help him enjoy his 57th birthday. While the weather was rather inclement, as well as cool, there never was a crowd that spent together a more pleasant two hours, which would have been prolonged, but for rain starting about the winding up of the dinner, which broke us up and drove us to have gone otherwise. Everything that could be said for a barbeque dinner could truthfully be said for this one. No better meal did any body ever eat. Everything that could be thought of was good to eat on that table and to cap the climax, there was an abundance of black camp

coffee. Then to have such a host as the great, big-hearted Ira Todd to encourage us and make us feel welcome. Many of us ate right up to the danger point. Such men as Ira Todd, and the home that he has builded and the splendid family that he has reared are exactly the kind of folks and the kind of home that Henry W. Grady had in mind more than 40 years ago when he said the safety of our government, the bulwark of our liberty and the covenant of our country are lodged in just such rural homes. But the rain cut short the afternoon program as they had made some preparations for entertainment in the way of fun-making.

The following families were represented: I. B. Todd and family, John Todd and family, Raymond Todd and family, E. Carl and family, Cooper Carl and family, Bob Carroll and family, J. B. Carroll and family, Bob Shaw and family, J. H. Atkins and family, Louis McCullough and family, Dave Phipps and family, Houston Phelps and family, August Straub and family, Hugo Jahn and family, Jeff Greer and family, Mr. and Mrs. J. W. Barron, Joe Atkins' children, Mr. and Mrs. Geo. Craber of Navasota, Mr. and Mrs. W. Buchanan, Maj. J. W. Shaw, T. C. Nunn, A. B. Gandy, Willis Edge, Lalla Barron, Miss Lillie Goryzki, C. L. Eden, Jno. D. Jones.

BRYAN STORES WILL BE ASKED REMAIN OPEN UNTIL NOON ON THANKSGIVING FOR VISITORS

A. M. Waldrop, chairman of the Trade Extension committee of the Chamber of Commerce, at the regular Tuesday morning session of the Board of Directors, reported that he had gotten estimates and specifications on two big road signs, one to be placed at Bench on the K. T. at the county line and one at the Navasota Bridge south of Millican, at the other county line on the K. T., welcoming people to Bryan and Brazos county, these to cost around \$100. A motion carried that the Trade Extension committee be authorized to put up these signs, with the approval of the Finance committee.

A. W. Buchanan brought up the matter of the coming visit today of about 50 people, including farmers from Rock county, to the A. and M. College, as detailed elsewhere in this issue. He asked a delegation from the Bryan Chamber of Commerce to greet the visitors upon their arrival and when word is received from the party who are supposed to be enroute, steps are to be taken by Secretary Eberstadt to have a delegation of welcome on hand.

On Thanksgiving Day. W. H. Cole made a motion asking that the City of Bryan be sold to the large number of visitors who will be here on Thanksgiving day, suggesting that lawns be trimmed, stores and streets be made clean and neat, appearing, and other steps taken with this end in view. He also urged that every citizen make himself a committee of one to look after the needs and comforts as well as the convenience of the visitors.

OFFICIAL FLAG OF HOOD'S FIFTH TEXAS BRIGADE ON DISPLAY AT OFFICE OF COMMISSIONER SMITH

AUSTIN, Oct. 12.—Lon A. Smith, railroad commissioner, has on display in his office at the capital the flag of the Fifth Texas Regiment of Infantry, Hood's Brigade, Army of Northern Virginia. This flag, Commissioner Smith stated, is a contribution from the survivors of this famous brigade. The flag, worn and battle-scarred, repose in a new cedar chest bearing this inscription: "This case is given in memory of Robert A. Grantley, Sr., who bore this flag into the baptism of fire at Gaines Mill."

First At Gaines Mill. Commissioner Smith gives this brief history of the flag: This flag was made by Mrs. M. J. Young of Houston, May, 1862, and sent to the Fifth Texas by Bob Campbell, one of the first volunteers, Company A, Fifth Texas. The flag saw the first service at Gaines Mill, June 1862. George O'nderdonk, Company A, was the first flag-bearer. At the beginning of the famous charge of Hood's Brigade at Gaines Mill, O'nderdonk was wounded and Bob Grantley seized the flag without permitting it to touch the ground, and bore it gallantly throughout the charge. The flag was borne in 27 pitched battles; sometimes in defeat, sometimes in victory, from Gaines Mill to Appomattox.

Official Brigade Flag. At Gettysburg, Hood designated this as the official flag of his brigade. It withstood fire of shot and shell at Little Round Top. Fourteen men were killed while upholding it, and 47 were shot down beneath its folds.

It saw service for the last time in Derbytown, October 7, 1864, witnessing the closing chapter of Grant's "on to Richmond campaign."

This flag was presented to Hood's Texas Brigade at their annual meeting here last June by Dr. S. O. Young of Houston, historian of the Brigade. Dr. Young's mother was maker of the flag. Since that time it has been in Bryan in custody of the Chamber of Commerce, and on Thursday was sent to Austin in charge of M. L. Parker, who left it with Lon A. Smith to be placed in the Texas Confederate Museum, Mrs. Forest H. Farley, regent.

MRS. YOUNGBLOOD SPEAKER AT CITY FEDERATION MEET IN HOUSTON, NOVEMBER 2

Mrs. B. Youngblood, of College Station, president of the Fourth District Federation of Women's Club has accepted the invitation of Mrs. A. K. Newby, president of the City Federation of Houston, to talk to the Federation at their meeting Monday, November 2, on "Universal Membership". Mrs. Youngblood has given much study to this question and it is one of vital interest to the growth of the general federation. A discussion of this topic and a better understanding of what "Universal Membership" means can but bring help to solving this question.

Frank Glaze Died Fort Worth Today Former Bryan Man

Johnnie Payne received a telegram today from Fort Worth announcing the death of his uncle, Frank Glaze, from pneumonia, this morning at 4:55 o'clock. Funeral services will be held Friday afternoon at 4:30 o'clock at Fort Worth. Mr. Glaze formerly lived in Bryan and has been away from here about seven years. He was a brother of Mrs. E. J. Payne and Mrs. Cora Hill of Edge, and brother of Louis Glaze of Bryan. Johnnie Payne will leave tonight to attend the funeral.

Crosby County Farmer Here to Get Pickers

J. S. Callahan, farmer of McAdoo postoffice, near Crosbyton in Crosby county, arrived in Bryan by car Tuesday night, coming here by word that he could get cotton pickers in this section. He stopped at the Eagle office and stated that his section would make at least a half bale to the acre on an average, in cotton and that the feed crops never looked better with fine prospects for maize, kafir and other forms. He said that it had rained for the last 40 days in that section of the Panhandle, averaging a good shower or even heavier, about every other day.

While enroute to Bryan he learned that a light frost was experienced there on last Sunday night and felt that it would stop the crops good as it would stop cotton growth and would not injure the feed crops which were practically matured already. Roads, he said were good, except between Stamford and Spur where unusually heavy rains had fallen and the rutts were cut so deep as to cause a car to drag on the ground. While he was not stalled at any point he said that he did help to push cars out of the road in front of him.

County Agent C. L. Beason is endeavoring to secure a few pickers for Mr. Callahan who desired to get at least 15 for use on his farm and on the farms of some of his neighbors.

M. E. Missionary Society Met In Groups Monday

The Woman's Missionary Society of the First Methodist church met Monday afternoon in groups at homes of group members, reports of which meetings have been turned in to the Eagle as follows: Group No. 1. Group No. 1 met with Mrs. Dave Munday with five members present and one visitor. Mrs. Will Hall led the devotional by reading and explaining the 14th Chapter of John. Mrs. E. W. Crenshaw led the prayer. All took part in the study of the first chapter of the Mission Study Book "Over the Border". The meeting next week will be with Mrs. Munday again. Those present were: Mesdames Oak McKenzie, E. W. Crenshaw, Dave Munday, Will Hall, H. D. Cuykendall and Walter Vance, the latter as a visitor.

Group No. 2 Meeting. Monday afternoon Group No. 2 met in the hospitable home of Mrs. W. H. Cole. Mrs. Deaton chose for her scripture text the first chapter of Hebrews. Minutes of the last meeting were read and approved; eight members reported thirty-four chapters read and three visits made to the sick. Mrs. W. B. Cline gave a very interesting talk on the Mission Study lesson, "Mexico, Our Neighbor." Members present were: Mesdames T. A. Adams, W. G. Alsbrook, W. B. Cline, W. H. Cole, J. N. Goodwin, W. E. Neely, C. C. Shelbourne.

Group No. 3 Meeting. Group No. 3 met on Monday afternoon with Mrs. W. F. Gibbs. Mrs. R. W. Downard acted as chairman in the absence of Mrs. A. Haneman, who is sick. The scripture reading was the 95th Psalm, after which the Lord's Prayer was recited in unison. The lesson was a study of Mexican missions. The group reported over 100 chapters read in the Bible and many visits to the sick and to strangers. Mrs. H. N. Cochran was a visitor and led in the closing prayer. Present were: Mesdames J. W. Barron, R. W. Downard, B. T. Poole, C. L. Eden, W. F. Gibbs, W. W. Solomon and H. N. Cochran.

Group No. 4 Meeting. Group No. 4 met Monday afternoon with Mrs. A. M. Waldrop. The chairman, Mrs. J. B. Priddy, presided. Eleven members responded to roll call. Mrs. W. E. Lewis led the voice program; a leaflet, "When Sisterhood Does Not End," was discussed by Mrs. E. J. Jenkins and Mrs. Priddy. "Rural Homes and Houses" was a paper read by Mrs. R. B. Welch. "A Message from Vashti," a leaflet read by Mrs. S. E. Eberstadt. "Our Little Sisters—Dependent Children," was a paper read by Mrs. W. E. Lewis. After the program the hostess served a cup of tea, sandwiches and dates. The following members were present: Mesdames R. B. Welch, C. R. Gardner, C. A. Lewis, P. H. Hensarling, L. A. Koenig, S. E. Eberstadt, A. M. Waldrop, J. B. Priddy, W. E. Lewis, Bessie Lawrence, and Mrs. E. J. Jenkins.

Group No. 5 Meeting. Group No. 5 enjoyed a delightful social and business meeting combined with Mrs. Wilson Bradley and Mrs. J. N. Dulaney as joint hostesses at the home of Mrs. Bradley. The home was most attractive with quantities of the yellow cosmos basketed in reed baskets and attractively placed about the rooms. These bright fall blossoms permeated an atmosphere of cheer and cordiality throughout the rooms and made a lovely setting for the true Southern hospitality extended by the charming hostesses. Mrs. Dulaney in the absence of the chairman, Mrs. Nat Allen, led the devotional exercises and read the scripture lesson the 100th Psalm. Fifteen members

responded to roll call and reported 112 chapters read in the Bible and 25 visits made to the sick. Mrs. John Seeley Caldwell led the prayer and Mrs. O. A. Ashworth the lesson on "Mexico, Our Neighbors Across the Border." Mrs. Ashworth was assisted by Mesdames G. C. Thornton, N. M. Snapp, O. O. Henderson, and J. M. Williams. Following the lesson a delightful social meeting was enjoyed by the group as they visited over the refreshment plate of pressed chickens, olives, sandwiches, salted pecans, crackers, and a cup of hot coffee. Those present were: Mesdames O. A. Ashworth, H. R. Bratton, A. K. Brown, John Seeley Caldwell, Will K. Gibbs, Fred Jones, O. O. Henderson, W. M. Owens, N. M. Snapp, G. C. Thornton, J. M. Williams, J. N. Dulaney, Wilson Bradley; Misses Callie Kern and Nelle Cole.

MILDRED MEREDITH OF MILICAN HONORED BY SAM HOUSTON COLLEGE

Miss Mildred Meredith of Millican was honored by the student body of Sam Houston College when she was elected by popular vote to represent the Sophomore Class on the Student Council of that institution. The Student Council is made up of the most representative students from the various classes, and to be elected a member is a distinct honor.

Godwin Case Is Postponed 'Till Next Term Court

On motion to make Jordan T. Lawler a party defendant in the case of the New Amsterdam Casualty Co., of New York, vs. the H. & T. C. Railroad, et al, the case has been postponed until the next term of district court when the defendants named will be: H. & T. C. Railroad Company, George Stephan and J. T. Lawler. This case grows out of the death of Mrs. Emma L. Godwin's son, Charles Godwin, who was fatally injured when a coal car, last November crashed into the city shed near the power plant, after running off the end of the spur track. The case was called in the district court on Wednesday.

Lee, Wright & Wood of Houston represented the Casualty Company; A. L. Stribling of Waco and Armstrong & Armstrong of Bryan were attorneys for the H. & T. C. Railroad Company; W. S. Barron of Bryan and S. W. Dean of Navasota represented Geo. Stephan, while J. G. Minkert intervened for Mrs. Godwin.

Pains Very Severe

"I suffered from womanly troubles which grew worse and worse as the months went by," says Mrs. L. H. Cantrell, of R. F. D. 9, Gainesville, Georgia.

"I frequently had very severe pains. These were so bad that I was forced to go to bed and stay there. It seemed to me my back would come in two."

For Female Troubles

'Is One'

(Continued from page 1)

Baptists are often criticized for not accepting members of other churches into fellowship upon their letters, but there is as much difference in churches that use the name of Christ as in lodges. Would I present a Masonic client to a Knights of Pythias lodge for membership? Most certainly not.

"We Baptists trace our lineage to Christ and care not to push it further. Some others carry theirs even so far back as Moses and Abraham, trying to link the old dispensation and the new, presumably to establish a semblance of legality for infant baptism, for which there is no New Testament authority. We are wholly content that the origin of the new church is in Christ and in Him alone.

"Then, as to the perpetuity of the church, He has declared 'the gates of hell shall not prevail against it.' The true church has been persecuted and believers hunted as wild animals and driven from place to place, but throughout all, have remained faithful witnesses. All denominations save Baptists have a definite day of beginning and a human founder. Pseudo-Baptist commentators themselves admit that except Jesus is the explanation of Baptist churches there is no satisfactory explanation.

"Baptists are not protestant in the popular sense of the word. They stand alone and unique in the history of the churches of the world. We believe a historic continuity can be established though it not necessarily always bears the name of Baptist. We are the only organization that can rightfully make the claim today of having marks of apostolic identity. By this, meaning that Baptist churches stand for all that is found in the New Testament no more and no less. We believe that churches holding the same faith as Baptists whether called or not will go on until Christ comes again.

"There are three forms of church government; the Episcopal or that with the ruling power vested in a college of bishops, even having the variation of one supreme bishop or pope. All of which is entirely without New Testament authority, and a form rejected by Baptists. The Presbyterian, a modification of the Episcopal where the elders are divided into two classes, preaching and ruling and having a measure of local self government, but wholly without scriptural foundation. The Congregational, where each church is sovereign with the only governing authority Christ and the Bible.

"The State Convention and Southern Baptist Convention, or any association is composed of messengers from the individual churches who participate in a common work, never surrender the slightest particle of their authority. The very smallest church never surrenders any of its power to a body. Two officers for a church are the only ones authorized in the New Testament, pastor and deacon. These are not to be rulers but servants.

"Then there are only two ordinances; baptism and the Lord's Supper. Don't call the Lord's Supper 'The Sacrament' as I so often hear it spoken of. There is only one sacrament and that is Christ on the Cross. They possess no saving efficacy neither are they means of grace but are memorials left with us with the Lord's command concerning them.

"The mission of the New Testament church is found in words of known as Great Commission: 'Go ye therefore and teach all nations baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you; and lo, I am with you always, even unto the end of the world.' (Matthew 28:18-20). This has been the marching order of the church.

"In religious matters we recognize two kinds of rights, civil rights or that of man to worship God as his conscience dictates, and Baptists would be the last to say ought against it for such has been the distinct contribution of Baptists to the world; and moral rights where we face an entirely different matter. There is but one responsibility and that is for the believer who has been regenerated by the power of the Holy Spirit, washed by blood of the lamb and acknowledged the Lordship of Christ to get in, stay in and support to the best of his ability the church that has all the marks of identity with that church that stands for the whole Word of God without addition or subtraction and that is seeking to carry the word to every creature so there may go up from earth the great swelling heart chorus of redeemed hearts."

"All hail the power of Jesus' name
Let angels prostrate fall,
Bring forth the royal diadem
And crown Him Lord of All."

Circle Number Five Baptist Auxiliary Holds Social Meet

Circle No. 5 of the First Baptist Auxiliary held a splendid meeting on Monday afternoon at the home of Mrs. J. Webb Howell on College avenue, with twenty members present. Mrs. E. B. Elliott, circle president, called the meeting to order promptly at 3:30, and the

business for the day was transacted. The circle's annual report on work for Buckner Orphan Home was read and showed how the members had given of their time and means in promoting this worthy work. Two new members, Mrs. Hickerson and Mrs. Bennett, were cordially welcomed at this meeting. The devotional service was led by Mrs. G. W. Ross and was an inspiration to all present. The lesson in Bible study was then taken up with the new teacher, Mrs. Paul Stevens, leading, and proved most helpful and deeply interesting. Mrs. Elliott, as president of the circle, then made a helpful talk, encouraging the members in the work they are doing, and outlining even greater activities for these busy young women as the year advances. The hostess of the hour, Mrs. Webb Howell, who is the president of the Woman's Auxiliary of the First Baptist church, brought a message of helpfulness, and assured Circle Five that their splendid service in the work of the church is an inspiration to the entire Auxiliary.

At the close of business the members of the circle lingered for a short social hour with Mrs. Howell, at which time delicious refreshments were served. Those present were: Mesdames G. W. Ross, N. L. McCullough, H. D. McMurray, Paul Stevens, Roy Nunn, Bill Wimberley, E. R. Alexander, E. B. Elliott, M. Brauner, H. P. Smith, Forrest Jones, L. P. Newton, Coulter Smith, Hickerson, Bennett, A. S. McSwain, P. G. Gunter, Gibbons, V. B. Edge, and J. Webb Howell.

Entertainment Program Given At K. P. Lodge

Just following the opening of Brazos Lodge No. 64, Knights of Pythias, at Castle Hall, Tuesday night, and after the routine business had been dispatched, a splendid entertainment was furnished by a trio from Bryan, as follows: Miss Ruby Boriskie of the Bryan Eagle, two vocal solos, accompanied by Miss Gussie Schultz on the piano, the first number being "The Garden of Tomorrow", three violin selections by Professor Albert Gray of Allen Military Academy; "Trauerlied", "The Flower Song", and "Ave Maria". The audience voiced its appreciation of the splendid program with applause and entreaties for encores which were given and at the close of the entertainment, Chancellor Commander R. C. Franks expressed, on behalf of the club, the full appreciation of everyone present and expressed the hope that they will return at some future date and play for the order again. Upon suggestion of one of the members, I. Maniloff, a rising vote of thanks was given to the trio.

For Next Meeting.
E. E. Long and E. E. Fain were both initiated into the mysteries of the rank of Knight. One application was accepted and three others received which will be acted upon at the next meeting. The lodge now has enough acceptances for initiation and enough applications on file to furnish work for every meeting night from now on until after the holidays.

The officers of the lodge are planning for some form of entertainment or diversion on each meeting night in order to create more pleasure and interest and to induce members to attend. On next Tuesday night there will be a singing of old melodies, from the K. of P. song book, and all members will be expected to take part. This is a part of the program for the next meeting night.

MRS. W. C. HILL OF EDGE ATTENDED THE FUNERAL OF BROTHER

Mrs. W. C. Hill of Edge, and her daughter, Lillian, came in last Saturday from Winters and Fort Worth where she and Mr. Hill and other children had been for several weeks. They picked cotton in the fields around Winters, while visiting Mr. Hill's two sisters, Mrs. Felix Little and Mrs. Sam Little, and their families. Mrs. Hill and daughter came home earlier than they had expected, being called to Fort Worth by the death of her brother, who was buried there last Friday. After attending the funeral, Mrs. Hill came on home and Mr. Hill and the other children are expected to come in tomorrow.

BRAZOS COUNTY Boys' and Girls' Club Department

Club Notes and Farm News by County Agent C. L. Beason

Aid of Experiment Stations.

In speaking concerning poultry feeding, Ralston Hannas states in a recent article in the Farm Journal that the New Jersey Experiment Station has found that a poultry feed containing 5 per cent protozym, enzyme of vegetable origin, having the ability to digest both starch and protein, gives promise of wonderful possibilities in baby chick and young poultry development, experiments showing that mortality was less and development greater where baby chicks were given feed containing enzymic material. This is only another instance of the many helpful services coming to us from our Experiment Stations through their work of scientific research and investigation. When we begin our farming enterprises, poultry or livestock industries, our great experiment stations assume the task of finding out what will be most helpful to our greatest success, the part we play being the mere application of these findings to suit our several needs.

Half and Half Prices.

During the Dallas Fair when John W. McFarlane was crowned "cotton king," because of the production of more than ten bales on five acres in 1924, he stated that the price he received for his half-and-half cotton was the same as that received by his neighbors who had produced varieties of a better staple. So long as this sort of thing is practiced in Anderson county, or in any other county, those who "preach" better cotton will get but few converts, and the cotton market that thus penalizes the farmer who undertakes to produce a better product will, soon or later, bring hurt to all its business enterprises.

Soil Improvement.

In an article on soil improvement in the Farm Journal, A. B. Ross says, among other things, "The only soil improvement that has any right to the name is improvement of the physical condition of the soil. Before we turn to commercial fertilizers at all, we ought to make sure that we are manufacturing and using, to the limit consistent with safety, the greatest quantity and the richest quality of soil solution our farms produce with the aid of bacteria." Many of our Brazos county farmers are realizing, as never before, these facts and are planning to turn under heavy crops of peas and other legumes. Watch Brazos county soils improve.

Saving the Hay.

Late rains have enabled Brazos county farmers to produce quite a lot of feed stuff which will soon be ready for harvesting. At this time of the year, hay, especially sorghum, is rather hard to cure sufficiently dry to permit baling, or storing in a close barn. Many farms have found that hay will cure out splendidly if stacked in the open field after a few days sunshine, the stack being started on pole and brush laid so as to keep the bottom layers of hay off the ground. Two years ago F. E. Jones of Route 5 pulled peanuts and immediately stacked them around a pole, cross-pieces for binning of the stack being placed on a pole about a foot from the ground, and the peanuts cured out fine, notwithstanding a ten days rain which began the night after the peanuts were pulled.

Questionnaire Sent Out.

In an endeavor to gain some helpful information the County Agent is sending out to a number of Brazos county farmers a questionnaire which, it is hoped, will receive due attention. The purpose of the questionnaire is to ascertain what success the farmers have had with grain, sorghums, milo, feterita, kafir, darso, etc., and which variety has proven most satisfactory in production, drought resisting, blight resisting, etc. The questionnaire also seeks to ascertain the nature of the problems the farmers may be most interested in. If you receive one of these questionnaires you will be helping the cause along by filling it out and returning it, making on the back thereof any suggestion or statement concerning the information sought. Thank you very much.

Agent Busy On Sunday.

When farmers call up the County Agent on Sunday to make inquiry about terracing, it shows much interest in laying the foundation for a more productive soil. We are barred from work on Sunday, but we will quit eating chicken pie—Methodist as we are—to help start a Martin dither for the "land's sake".

Grain Sorghum By Years.

E. A. Miller, agronomist of the Extension Service, reminded East Texas farmers, who had fine exhibits of grain sorghums at the Dallas fair, that climatic conditions are not favorable for production of grain sorghums there every year. Brazos county is classed as an East Texas county, when it comes to the production of grain sorghums. Let us proceed, therefore, with care.

Elmo Weeden's Plan.

Now that feed is scarce our farmers would profit by following the plan of Elmo Weeden, an enterprising young farmer of the Harvey community, who arranges his feed stalls so only work stock will receive full feed, idle stock, or stock on pasture, receiving only

a partial feed. Mr. Weeden states that this plan has meant a great saving in feed since its adoption. If interested, make inquiry of Mr. Weeden who will be glad to give details of the plan.

\$100 For 300-Egg Hen.

John Honk, of the Hempstead school announces a plan whereby his class in vocational agriculture will trapnest a limited number of pens of standardized poultry, Barred Rocks, Rhode Island Reds, and S. C. White Leghorns, free of charge, give the owners a complete record of the trap nesting, and pay \$100 each for all hens making a record of 300 eggs. If interested, see your County Agent.

He Ought To Know.

Jim—Ever see one of those machines that can tell when a person is lying?
John—Seen one? Lord! I married one.—Farm and Dairy.

Boy Realizes A Profit.

An Ohio boy who had made \$930 profit on 300 White Leghorn hens has, according to Farm and Life, the following to say about the farm: "I have profited by remaining on the farm with Dad. I had a little touch of city fever at one time, but when I thought of the fellows among my acquaintances who had failed in the city my fever left me. Some of the boys I went to school with and who have made failures in the city have told me that they would have remained on the farm if their dads had given them an opportunity to make money for themselves." Brother Farmer, take your boy into partnership with you.

Honest Brazos Club Boy.

Club work stands for the proper training of the head, heart, hand, and health. How well this training of heart is being done was observed at Dallas during the recent club encampment, when a club boy had been given too much change. As the club boy stepped back into the crowd, he observed the mistake and straightway made his way back to the cashier and said: "Sir, you handed me too much change." The cashier thanked the boy, and a County Agent spoke up and said, "That is what you get by dealing with an honest club boy, a Brazos county boy, too."

Reliance

(Special to the Eagle).

RELiance, Oct. 29.—We have been having some real fall weather of late. Plenty of cold and rain both. The rains are very beneficial to fall vegetables and the stock is deriving benefits of it as well as the people.
